Рад информировать Вас о том, что несмотря на сложную военную обстановку, наши корейские организации сумели обеспечить выполнение плана отгрузки Советскому Союзу свинца, свинцовой руды и свинцового концентрата.

По состоянию на 24 июня текущего года, при плане отгрузки свинца равном 7.000 тонн, отгружено 3.379 тонн, из которых 7.239 тонн переданы на китайскую территорию.

За эту же дату нами отгружено свинцового концентрата и богатой свинцовой шпунтовой руды 10.714 тонн, из которых 9.749 тонн переданы на китайскую территорию.

Правительство Корейской Народно-Демократической Республики и впредь приложит максимум внимания в деле обеспечения и увеличения поставки Советскому Союзу свинецсодержащих материалов.

TO COMRADE STALIN, I.V.

I am happy to inform you that despite the complicated military situation, our Korean organizations were able to secure the fulfillment of the plan for sending to the Soviet Union lead, lead ore and lead concentrate.

AAs of 24 June of this year, in connection with the plan for delivery of 7,000 tons, 8,379 tons were delivered, of which 7,239 tons were transferred to Chinese territory.

By the same date we delivered 10,714 tons of lead concentrate and 10,714 tons of enriched lead ore, of which 9,749 tons were transferred to Chinese territory.

The government of the Korean People's Democratic Republic will also in the future devote maximum attention to the matter of securing and increasing the delivery to the Soviet Union of materials of lead content.
