RE: Martin Luther King Memorial Scholarship
FROM: Kichiro Iwamoto, Chairman, Martin Luther
King Scholarship Committee

Through your generosity \$3,584.00 has been collected this year (representing 66 contributions) to be used for Scholarship assistance under the Martin Luther King Memorial Scholarship program. Two Black students presently are attending the University with the aid of this Scholarship.

At this time, we have about \$3,500.00 on hand for allocation to students for the 1970-71 school year.

Thank you for your help and continued interest in this program.
